

I am a part of God's plan	You don't have anything to contribute.
What do people need to hear?	Sharing your faith is a violence against humanity.
Will they listen to me?	What right do you have to tell people what to believe?
Will they like me?	How can you force your beliefs on people?
But where should I go?	

God is sending us to the Middle East to work with Muslims	Your wife will be miserable! Women have no place in Islamic society.
God wants me to go to Zimbabwe	You'll get malaria or some other disease
We were called to Afghanistan	That's no place for a family! The Taliban will kidnap you!
I love the Chinese people...	Did you know that Chinese is the most difficult language to learn?
But what should I do?	

I want to serve God	Your family will never understand
We want to follow Him	This is the worst time to sell your house
To share His love with everybody	You? You can't even keep your temper in traffic!
I want to be part of His plan	What would you do?
To reach all nations	How could you help?
I want to build the Church	The church is filled with hypocrisy
I love discipleship!	Nobody wants to spend time with you!

I have a heart for
evangelism

Nobody will listen to you!

I want to give

Can you afford to?

How can I do this?

It'll be hard

Am I really supposed to go?

Who will the LORD send?

Here am I, send me
